Description **Mini Blazer Parts Book** **ATV Blazer MANUAL**

Discover the ultimate riding experience with our 125cc four-stroke, single-cylinder, air-cooled ATV, designed for riders aged 7 to 14+. This ATV boasts an 8.2hp engine with an automatic transmission that includes reverse functionality, making it both powerful and easy to handle. The comfortable seat height of 26 inches (67cm) and the stylishly rimmed 19x7-8 inch front and 18x19.5-8 inch rear tires ensure a smooth ride on various terrains. Enhanced with angel eyes and an LCD speedometer, the ATV also features improved front disc brakes, a heavy-duty bumper and rack, and a racing suspension and muffler package for superior performance. Additional upgrades include a nylon skid plate, an upgraded chain adjuster, chain cover, footrests, air filter, and A-arms with grease fitting for increased durability and ease of maintenance.

Understanding the importance of after-purchase support, we ensure you have access to warranty and replacement parts. Unlike many shops that sell you a bike and leave you stranded for repair and maintenance, we prioritize having parts readily available for the bikes we sell, emphasizing our commitment to your long-term satisfaction. With specifications like a top speed of 60km/hr, disc brakes on both ends, a PZ22 carburetor, remote kill switch, speed governor, angel LED lights, and enhanced dual A-arm/solid axle suspension, this ATV is not just a vehicle but a reliable companion for your adventures. Weighing 265lbs (120kg) and measuring 59" x 38" x 38" (150cm x 97cm x 97cm), it's a testament

to our dedication to quality, performance, and customer care.

This Gas ATV is shipped 90% assembled, some assembly is required.

This Gas ATV requires but is not limited to:

- Basic understanding of Carburetor function. Example: Choke ON, Choke OFF
- Ability to Perform Oil Change and Check Oil
- Basic Small Engine Maintenance
- Battery Connection
- Wheel Assembly

Customers are encouraged to call prior to placing their orders for assembly-related questions.

(NVIS)

Optional: A New Vehicle Information Statement (NVIS) is available for this vehicle. You may request the NVIS documents following your purchase, subject to an administration fee of $80.

The NVIS paperwork is necessary for registering your bike with the province to obtain plates and insurance, particularly if you plan to use provincial trails. If you do not intend to use these trails, this requirement does not apply.
